

Return of the Dambusters: What 617 Squadron Did Next (Paperback)

By John Nichol

HarperCollins Publishers, United Kingdom, 2016. Paperback. Book Condition: New. 197 x 130 mm. Language: English . Brand New Book. (Previously published as After the Flood) Former RAF Tornado Navigator and Gulf War veteran John Nichol sets out on a personal journey to discover what happened to 617 Squadron after the flood. RAF 617 Squadron's destruction of the dams at the heart of the Ruhr made them heroes and celebrities of their time. But this elite squadron was also called upon for a hundred more of the most secret and dangerous specialist precision attacks. As bestselling author John Nichol discovers, 617 would drop the largest bombs ever built on battleships, railway bridges, secret weapon establishments, rocket sites and U-boat construction pens. They were involved in attempts on the lives of enemy leaders, both Hitler and Mussolini, created a false fleet on D-day which fooled the Germans, and knocked out a German super gun which would have rained 600 shells an hour on London. Of the 77 men who made it home from dams raid, only 45 survived to see the victory for which they fought - as 617's reputation called them into action again and again.

Reviews

Thorough guide for pdf enthusiasts. Better then never, though i am quite late in start reading this one. Its been printed in an remarkably simple way which is only soon after i finished reading through this pdf by which really altered me, change the way i believe.

-- Dr. Rowena Wiegand

Totally among the finest pdf We have possibly read through. It usually fails to price a lot of. I discovered this book from my i and dad suggested this pdf to learn.
