Orca Book Publishers. Paperback / softback. Book Condition: new. BRAND NEW, The Bonemender, Holly Bennett, The man stared at her and his brow cleared. He smiled with a kind of wonderment. "You're a healer." A statement, not a question. "I never hoped to find such a one in a place like this." Gabrielle is a bonemender of extraordinary talent. Between her work as a healer and her duties as one of the royal family of Verdeau, her life is busy, comfortable and predictable-until the day a stranger arrives at her gate, desperately seeking help for his injured friend. To Gabrielle's wonder, they are Elves, a people not seen in Verdeau in many years. And they bring news of a coming invasion that threatens the freedom of the entire Krylian basin, human and Elvish alike. As Verdeau arms for war, Gabrielle must mobilize the bonemenders and prepare herself for the nightmarish work of battlefield healing. But what awaits her on that bloody field is worse than anything she has imagined. And what is she to do with the love in her heart? Holly Bennett is the Editor-in-Chief of special editions at Today's Parent magazine where she has worked for seventeen years. Her best qualification for writing The Bonemender is all the fantasy that she has read aloud to her children (The Lord of the Rings three different times). She read pages from her manuscript aloud to her youngest son at bedtime. "Aaron was my first editor," she says. "He said to me one night, 'You know, Mom, you use the phrase "smiled grimly" an awful lot.' And he was right; I had!".
