The Universe Loves a Happy Ending: Becoming Energy Guardians and Eco-Healers for the Planet, Organizations, and Ourselves

By Hans Andeweg

Hunter House. Paperback. Book Condition: New. Paperback. 320 pages. Everything is energy and everything is connected to everything else. This is the premise of TULAHE (The Universe Loves a Happy Ending), a book that makes innovative connections between (quantum) science and universal spiritual laws to give readers new tools for working with life energy and a revolutionary paradigm for healing nature, themselves and organizations. A biologist by training, Andeweg started working in 1990 at the Institute for Resonance-therapy (IRT) in Germany, helping to develop an energy-based method for revitalizing nature reserves and small organizations. The sophisticated method of energetic healing developed there is explained in depth in Andeweg's previous book, *In Resonance with Nature*, and is called ECOtherapy. In 2001, Andeweg and his wife and colleague, Rijke Bols, co-founded the Centre for ECOtherapy, now based in Marl, Germany. Based on the viewpoint that nature has a soul and that we can communicate with it, ECOtherapy helps to restore and maintain a harmonious balance of vital energies underlying health and vitality. The author believes ECOtherapy can be effectively applied anywhere where the balance between living organisms and their environment has been disturbed, maintaining that the conscious involvement of the caretakers, their...

Reviews

Complete manual! Its such a great study. It really is writter in straightforward phrases rather than hard to understand. You are going to like the way the article writer create this publication.
