Before The Resistance, mine was a mindset of naivet and blind trust in a broken and corrupt government. Before The Resistance, Id never stood up or fought for anything in my life. Now, there is everything to fight for and everything to lose. All for a glimmer of hope in our future. It may seem a small thing but with the smallest bit of hope, men have risen against their oppressors with fists raised, even when they knew they stared into the face of death. Now that I have found something to fight for, I can only hope that my past will not become a roadblock to my future and that the secrets Ive kept from those whose trust Ive gained will not come back to ruin the new life Ive made. If they do, I fear that I will not only lose my place as part of the Resistance, but the heart of the girl I am slowly coming to love. This item ships from multiple locations.
