Brand New Book ***** Print on Demand *****.If you want to understand a topic in the New Testament, read all the passages where it is mentioned. This is difficult since our resources are often based on English translations of the Bible. The challenge, then, is in locating the correct passages. My purpose in this resource is to expose you to all the passages where the words that describe the fruit of the Spirit occur, based on the Greek text. In this way I know you are hearing the entire conversation of Scripture describing each portion of the fruit. Use this resource to deepen your understanding of the new character the Lord is forming in you by His Spirit. Read, study, and pray through the lists. Practice what you learn, expecting the Lord to transform your character as described in these passages. He will, because this is his desire!.
