Augustas mother didnt mind but her father, a stern preacher, felt the girl was wasting time on idle nonsense. Augustas sculpting talent blossomed as she grew into a young woman. Eventually, she found herself at a crossroad. Augusta wanted to pursue a career as an artist, but to do so she would have to leave behind all she knew. With only her passion to guide her, Augusta headed to New York City to follow her dream wherever it might take her. Award-winning author Alan Schroeder deftly weaves together known historical details to create a compelling portrait of this unique Harlem Renaissance sculptor. Warm paintings capture both Augusta Savages struggles and resilience as she skillfully carved out her own special place in art history. This item ships from multiple locations.
