

Price of Civilization

Filesize: 2.37 MB

Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Sallie Wiegand)

PRICE OF CIVILIZATION

Random House LCC US Aug 2012, 2012. Taschenbuch. Book Condition: Neu. 210x134x20 mm. Neuware - NEW YORK TIMES BESTSELLER - NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN AND PUBLISHERS WEEKLY 'Succinct, humane, and politically astute . . . Sachs lays out a detailed path to reform, regulation, and recovery.'- The American Prospect In this forceful and impassioned book, Jeffrey D. Sachs offers a searing and incisive diagnosis of our country's economic ills, and an urgent call for Americans to restore the core virtues of fairness, honesty, and foresight as the foundations of national prosperity. Sachs finds that both political parties-and many leading economists-have missed the big picture, profoundly underestimating globalization's long-term effects and offering shortsighted solutions. He describes a political system that is beholden to big donors and influential lobbyists and a consumption-driven culture that suffers shortfalls of social trust and compassion. He bids readers to reclaim the virtues of good citizenship and mindfulness toward the economy and each one another. Most important, he urges each of us to accept the price of civilization, so that together we restore America to its great promise. The Price of Civilization is a masterly road map for prosperity, founded on America's deepest values and on a rigorous understanding of the twenty-first-century world economy. With a new Preface by the author 'Half a century ago J. K. Galbraith's The Affluent Society changed the political consciousness of a generation. . . . Jeffrey Sachs's new book is a landmark in this great and essentially American tradition. . . . Sachs by his life and his writing goes far to restore one's wavering faith in the informing inspiration of the post-1945 new dawn, faith in economics, faith in America and faith in humanity.' -The Spectator 'Stimulating . . . a must-read...'
