Excerpt: . . . 11 tation Security Operational Plan, or TSSPs Modal Plan annexes, which set forth operational strategies and transportation security programs focused on re-ducing and mitigating security risks for the transportation modes, including aviation, rail, mass transit, highway, pipeline, and the postal and shipping sec-tor. Issued Rail Security Directives setting security standards for all heavy and light rail operations, as well as Amtrak and the Alaska Railroad Corporation. These standards establish a formal baseline and standardize protective meas-ures for all passenger rail assets, including personnel and physical assets and critical facilities. Began implementing a more localized, airport-centric system, underpinned by 20 local hiring centers around the country that serve as the focal points for local hiring activities. This decentralization promises speedier hiring to meet the dy-namic needs of individual airports and greater screening workforce retention. The objectives of this next generation hiring system are to streamline the hiring process by providing direct, immediate hiring support to individual airports, putting screener hiring and training under control of the Federal Security Di-rectors (FSD), and improving the ability to deliver the right mix of required screeners in a timely manner. We also anticipate the next generation hiring sys-tem will improve retention rates. Enhanced airport security nationwide by requiring fingerprint-based back-ground checks and additional background screening on more than one million airport employees; requiring more patrols and surveillance in secure areas; in-creasing checks of employee identification (IDs) and vehicles in the sterile and secure areas; and piloting of SPOT (Screening of Passengers by Observation Techniques) at two airports that may enhance t....
