Lawrence & Wishart Ltd. Paperback. Book Condition: New. Paperback. 208 pages. Dimensions: 8.4in. x 5.4in. x 0.7in. A fascinating exploration of the complexity and diversity of contemporary suburban life. In challenging our view of the suburbs this book challenges our view of England - and in so doing disrupts mainstream political orthodoxy. Jon Cruddas Suburbs and the relationships that sustain them have been subject to tremendous changes in the last fifty years, with changing work patterns, changing family lives, changing patterns of home ownership and a massive shift in the structural relationships between inner cities and their surrounding urban environment. But this transformation has been largely overlooked, and the suburbs have lived on in the collective imagination as places that are homogenous and boring. But suburbs have always come in many shapes and sizes, and this book documents widely varying forms of suburban life to construct a compelling narrative of suburban diversity and variety. Huq demonstrates conclusively that those who still fondly imagine the suburbs as the preserve of maiden aunts on bicycles, the domain of archetypal Englishness - or less fondly as places of stifling conformism and stagnation - are wide of the mark. In this sense her re-imagining of the suburbs is also a re-imagining of Englishness. In an analysis that ranges across gender, ethnicity, class, religion, lifestyle, consumerism, family life, gentrification, property relations, political representation, city life and globalisation, Huq presents a convincing case for the need to radically rethink the way we understand contemporary suburban life. Rupa Huq is Senior Lecturer in Sociology at Kingston University. Her first book, *Beyond Subculture: pop, youth and identity in a postcolonial world*, was shortlisted for the British Sociological Associations Philip Abrams Memorial Prize. She was Deputy Mayoress of the London Borough of Ealing from 2010 to 2011. She has lived...
