*Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Stine, New York Times bestselling author of the Goosebumps and Fear Street series, now sets his sights on adults with a terrifying new horror novel. When two mysterious orphans are adopted by travel writer Lea and her child psychologist husband, Mark, no one can anticipate the twins' true nature - or predict that, within a few weeks' time, Mark will wind up implicated in two brutal murders, with the police narrowing in. For the millions of readers who grew up on Goosebumps, and for every fan of deviously inventive horror, this is a must-read from a beloved master of the genre. 384 pp. Englisch.
