Connor Court Publishing Pty Ltd, United States, 2015. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Liberalism and Conservatism are little explored as expressions of political philosophy in Australia. This timely collection sheds light on some of the key expressions of Australian liberalism and conservatism. David Kemp examines the relationship between liberal and conservative political thinking and the growth of government in Australia. Zac Gorman looks at the key role George Reid played in the 1906 anti-socialist campaign. Paul Brown considers the role which liberalism played in forming the ideas of former Foreign Minister Alexander Downer. Wayne Errington considers conservative attitudes to science. Greg Melleuish examines the nature of Australian conservatism. Chris Rath provides a conservative critique of the National History Curriculum. These essays demonstrate the variety and richness of conservative and liberal thought in Australia. CHAPTERS Introduction: Liberalism and Conservatism -- Greg Melleuish. 1.
