### Reviews

*Very beneficial to all category of folks. I really could comprehend every little thing out of this created e publication. I found out this book from my dad and i encouraged this ebook to discover. (Maia O'Hara)*

## EPIC NEGATION

[DOWNLOAD](#)

Oxford University Press, 2015. Hardcover. Book Condition: New. 15.6 x 23.5 cm. "Epic Negation examines the dialectical turn of modernist poetry over the interwar period, arguing that late modernism inverts the method of Ezra Pound's "poem including history" to conceive a negated mode of epic, predicated on the encryption of disarticulated historical content. Compelled to register the force of a totality it cannot represent, this negated epic reorients the function of poetic language and reference, remaking the poem, and late modernism generally, as a critical instrument of dialectical reason. Part I reads *The Waste Land* alongside the review it prefaced, *The Criterion*, arguing that the poem establishes the editorial method with which T. S. Eliot constructs the review's totalizing account of culture. Dividing the epic's critical function from its style, Eliot not only includes history differently, but also formulates an intricately dialectical account of the interwar crisis of bourgeois culture, formed in the image of a Marxian critique it opposes. Part II turns to the second war's onset, tracing the dislocated formal effects of an epic gone underground. In the elegies and pastorals of W. H. Auden and Louis MacNeice, lyric forms divulge the determining force of unmentionable but universal events, dividing experience against consciousness. With H.D.'s war trilogy, produced in a terse exchange with Freud's Moses, even the poetic image lapses, associating epic with the silent historical force of the unconscious as such"-- Our orders are sent from our warehouse locally or directly from our international distributors to allow us to offer you the best possible price and delivery time.
