What went through her young mind as she experienced the miracle of the new life growing within her? Lo, a Star chronicles nine months in the life of the special young woman who would become the Mother of Jesus. Mary's emotional and spiritual journey, as well as her physical one, is explored, culminating in the long and arduous trip to Bethlehem with Joseph. Travel with her as she faces her own fears and doubts, and comes to understand her holy destiny. This is a story of faith and love, of trust and hope, and the awesome power of God. Through Mary's experiences, you will see that no matter what challenges you may encounter in life, you do not have to face them alone.
