Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.You ve been to doctors, you ve been diagnosed, and now you are at home with a bag full of drugs and no hope. You are tired and in pain that comes both from everywhere and from nowhere. Welcome to the world of fibromyalgia. The same thing happened to me, but I found the cause of my fibromyalgia and then went on to find a cure. So the message of this book is that you might not have to live with fibromyalgia! This is not a how to cope with fibromyalgia book. In layman s terms, I share my personal experience with the condition. Unlike many authors on this subject, I ve experienced fibromyalgia first hand and I have a unique understanding of what this condition can do to a person. I did not accept a diagnosis without a cure, and instead looked past traditional thinking to find first a cause and then a way out of the fibromyalgia maze. While drugs, magic elixirs, and meditation can help you feel better, unless you find the cause of your fibromyalgia you are just treading water. Whatever you do, don t be duped into living with fibromyalgia. First, you need to know that you are not crazy, that your symptoms are real. I share with you all of the bizarre symptoms of my fibromyalgia. When you have finished reading about them you will be more comfortable knowing that your symptoms are not imaginary, they are real! Then I share with you the so called experts in the medical field that I consulted after I was diagnosed with the dreaded condition. These professionals failed me by making my...
