

Chaim Weizmann - The Zionist Dream

Filesize: 6.4 MB

Reviews

Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).

CHAIM WEIZMANN - THE ZIONIST DREAM

[DOWNLOAD PDF](#)

Haus Publishing Limited. Hardback. Book Condition: new. BRAND NEW, Chaim Weizmann - The Zionist Dream, Tom Fraser, Alan Sharp, The Arab-Israeli conflict has been one of the most defining features of recent world history, flaring up into open war fare yet again in Gaza at the end of 2008 and provoking large-scale demonstrations in the streets of cities across the world. The decision in 1919 by the Paris Peace Conference to award the Mandate for Palestine to Great Britain - which had announced its commitment to the creation of a national home for the Jewish people in the Balfour Declaration two years previously - sowed the seeds of this seemingly intractable problem, yet when the Zionist leader Chaim Weizmann (1874-1952) spoke before the Conference on 27 February 1919, he would have appeared as only one of the many representatives of minor nationalities putting their case to the peacemakers, and, what is more, one whose people had no territory of their own. How a Jewish chemistry professor from an obscure part of Eastern Europe could find himself at the heart of international diplomacy, and later become the first president of the State of Israel, is one of the most fascinating stories of the Paris Peace Conference and its aftermath. Ninety years after the Conference, what Weizmann said and did there is an essential part of our understanding of how this small, but critical, part of the world evolved out of the deliberations.
