AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 278 x 206 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Management Pyramid: Principles and Applications, second edition is based on my principle of thoughts about business administration and/or management which has become a predominant practice in our every day life, and could be look at in many ways - managing oneself to exist economically, managing in a family circle, managing in the community, managing in a school setting and in that of business administration. This text is therefore enhanced to educate students in colleges and universities of business studies, including professional businessmen and women whose primary objectives are to study business management in its fullest extent. A study of management administration should go beyond what happens to other disciplines and consider the institutional arrangements which manages the way man lives, the family, the community, and the larger society with their complex interrelationships. Because the problems of these arrangements are much too varied to be understood from any single standpoint, hence there are number of different fields like, economics, business administration, social science, marketing to mention but a few. It is in fact, the quest for management of people and the industry that I decided to undertake the research to write this book. Management Pyramid: Principles and Applications is a researched text solely designed for today s successful executives to lead the way to dramatically increase their values to their companies and to increase their personal standing and self-worth. It is to direct the resources and the efforts of the business through the manager s performance toward opportunities for economically significant results. The book addresses the concerns of the application of scientific approaches to improve management performance. Management is along with other behavioral sciences, a fundamental approach that subjects...
