

## Exploring the Texture of Texts: A Guide to Socio-rhetorical Interpretation (Paperback)

By Vernon K. Robbins

Continuum International Publishing Group Ltd., United Kingdom, 1996. Paperback. Book Condition: New. New.. 226 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Socio-rhetorical criticism has established itself as one of the promising new methods of biblical study today. Vernon K. Robbins here provides an accessible introduction to socio-rhetorical criticism, illustrating the method by guiding the reader through the study of specific New Testament texts and stories.An opening chapter outlines this new approach and its focus on values, convictions, and beliefs both in the texts we read and in the world in which we live. Then follow chapters on getting inside a text (inner texture), that is, studying the internal aspects of words and meanings in the text: entering the interactive world of the text (intertexture, ), that is relating the text being interpreted to a wide range of phenomena that lie outside the text: living with the text in the world (social and cultural texture), that is, examining the social and cultural locations in the world that the language of the text evokes: and shared interests in commentary and in the text (ideological texture), that is, looking at the way the text itself and interpreters...
