Multnomah Publishers, 2003. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Some dreams take a while before they come true. Best friends Hope and Laurie never made it to Hawaii during their college years. But when they're about to turn forty, the islands still beckon, and off they go - with an unexpected stowaway on board (Hope happens to be seven months pregnant). A little pineapple, a little sunshine, and a surprising little surfing lesson give these two sisterchicks all their crazy hearts could hope for - and more - as they enter the next season of their lives with a splash and with a beautiful vision of what God has dreamed up for them. Wherever there's chocolate, there's sure to be a sisterchick celebrating, and this trip to Hawaii is no exception. Best friends Hope and Laurie are on an audacious mission to commemorate their fortieth birthdays in style. Surfing and sailing, sushi and snorkeling--these two macadamia nuts from the mainland sample it all, unhindered by a surprise little stowaway.

Sisterchick n. : a friend who shares the deepest wonders of your heart, loves you like a sister, and provides a reality check when you're being a brat.

Luau are only the beginning. The island experience binds Hope and Laurie's souls together, gently restoring their unfinished dreams. Garlanded with leis or swimming with sea turtles, they join the dance of delight in their Maker, entering the next season of their lives filled with the unforced rhythm of grace. Story Behind the Book We lived in Hawai'i when our son was in elementary school and have returned many times for visits. I have a deep and abiding love for all that is Hawaiian so of course the islands were my location of...
