Each life map--astrology star chart--can be read and interpreted in many ways. Each sun, moon, planet, and astrological sign symbolically reflects a perfect order and plan for each individual. This book focuses on the premise that each life chart map is meant for good and meant to be interpreted as a personal beneficial guiding light. It is author Kay Andrews's belief that each life is programmed for positive growth; that each soul incarnates with an intent and plan to develop and express his or her innate goodness, no matter how difficult or challenging life's lessons; and that each individual soul is filled with an inherent abundance of love and a guiding spirit light leading to self-understanding and personal life fulfilling purpose.
