Lawrence Erlbaum Associates Inc. Paperback. Book Condition: new. BRAND NEW, Work-Family Challenges for Low-Income Parents and Their Children, Ann C. Crouter, Alan Booth, The area of work and family is a hot topic in the social sciences and appeals to scholars in a wide range of disciplines. There are few edited volumes in this area, however, and this may be the only one that focuses on low-income families--a particularly important group in this era of welfare-to-work policy. Interdisciplinary in nature, the volume brings together contributors from the fields of psychology, social work, sociology, demography, economics, human development and family studies, and public policy. It presents important work-family topics from the point of view of low-income families at a time in history when welfare to work programs have become standard. Divided into four parts, each section addresses a different aspect of the topic, consisting of a big picture lead essay which is followed by three papers that critique, extend, and supplement the final paper. Many of the chapters address important social policy issues, giving the volume an applied focus which will make it of interest to many groups. Serving to organize the volume, these issues and others have been encapsulated into four sets of anchor questions: \*How has the availability, content, and stability of the jobs available for the working poor changed in recent decades? How do work circumstances for low-income families vary as a function of gender, family structure, race, ethnicity, and geography? What implications do these changes have for the widening inequality between the haves and have-nots? \*What features of work timing matter for families? What do we know about the impacts of shift work, long hours, seasonal work, and temporary work on employees, their family relationships, and their children's development? \*How are the child care needs of low-income...
