*This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Not illustrated. 1882 Excerpt: .We do not write thus in reproach to the late director, who gave services and experience t his work of infinitely greater value than the contemptible payment which he received. The Local Government Board rtcived last year 1,200 for the maintenance of this department and the dissemination of healthy lymph. It paid its director the princely screw of 150!!! and starved the establishment so effectually that at the end of the year it was able to send back 400 to the Treasury. We say that this cheeseparing and the inefficiency of the Irish vaccination system are natural cause and effect, and that as long as there is no one properly paid to look after this most necessary part of the work of the Board, so long will vaccination be neglected as it is and smallpox be increasing as it i. We hear it rumourtd that the Government talk of reducing the Irish vaccine system to a nullity by abolishing the chief office in its administration altogether, and coinpellicg the two underpaid assistants to continue the pretence of doing the work. We can hardly conceive that the Local Government Board will seek to make a profit of 150 a year by such means as this, but we fully anticipate that, if they do so, and if the old system is sought to be perpetuated, it will be necessary for some of the Irish members who are earnest for public health to drag into the light of Parliamentary...
