But his genuine lore cannot be concealed by his flimsy philosophy. The student will gain from the Inquiry real knowledge about ancient art. He will find, indeed, not a few statements which the author himself would be the first to modify in the light of the new information of the last fifty years. But he will also find much which, in its time, proved to be suggestive and fruitful to other minds, and which prepared the way for wider and deeper studies. It may do so yet. The book is one which the student of archa3ology cannot afford to overlook. Whilst he may well afford a passing smile at the philosophic insight which prompted our authors eulogies (1) upon the liberal and humane spirit which still prevails among those nations whose religion is founded upon the principle of emanations(2) upon the wisdom of the Siamese, who Booe ii, shun disputes, and believe that almost all religions are good; Classical (3) on the supreme fitness of the idolatries of India to call Ot IT forth the ideal perfections of art, by expanding and exalting Explorbes. e imagination of the artistor (4) upon the exceptional an(j pre-eminent capacity of the Hindoos to become the most virtuous and happy of the human race,...
