Moses parted the sea. Peter healed a man lame from his mothers womb. Jesus calmed a raging storm, healed paralytics, and even drove demons out of people. Are these types of events still happening today The answer to this question, as you will see from reading this book, is an emphatic YES! God is still very much at work in our world. Contained within is a collection of amazing, true stories that attest to this fact. You will read the astonishing first-hand accounts of people who have been healed of things like paralysis from birth, brain tumors, and AIDS through prayer. You will read of a tsunami stopped in its tracks in the name of Jesus. You will witness the liberation of the demon-possessed and much more.
