BookBaby, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Many people believe that hearing God is about receiving right direction or right information from God for good decisions in life. Hearing God is much more intimate and real. If hearing God is merely about knowing what to do in life, then knowing what to do can become our god. In this book Ted J. Hanson presents over forty-two years of experience in hearing God as well as Biblical insights into the foundation for hearing Gods voice. This book has been written to help the individual recognize the voice of God. Practical and spiritual keys are given to help each individual more readily recognize God speaking in their life. God is speaking to all people, but not all people recognize His voice. If we can learn what God does not sound like we can ignore the sounds that are not His voice. We will then be left with an understanding of Gods voice to our hearts. Hearing God is about knowing God. The author presents the hindrances to hearing God as well as keys to tuning into the frequency of Gods voice in our lives. The material presented in the book has changed the lives of many people through a proven track record of teaching for the past fifteen years. My daughter-in-law, Amani Hanson, designs my book covers. In designing this book cover she had to pass the test of hearing God. That test was not a forced one, just a spontaneous, naturally supernatural test of hearing the One who loves us. I had given her a concept of hearing God in our hearts. I gave her some ideas but put it in her hands to discover what it was that would...
