

The Last Book in the Universe (Paperback)

Filesize: 8.81 MB

Reviews

This publication is very gripping and interesting. We have gone through and so I am confident that I am going to plan to read through yet again again in the foreseeable future. You are going to like how the blogger write this ebook.

Scholastic US, United States, 2002. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book. This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel *Freak the Mighty*, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.
