Meminger This seems to be the only instance where the word die is used of saints in the New Testament, after the resurrection of our Lord. He abolished death and brought life and immortality to light, and from hence forth we have such expressions as Stephen fell asleep; Paul, absent from the body, present with the Lord. Peter, put off this tabernacle. Not only so, but those who live Christ and die in the Lord, rest from their labors; but their works follow them. The labors trying toils - cease, but the works - fruitful activities - continue after one has passed on to be with Christ.
